- Daily maintenance and cleaning of vehicles, mowing equipment and shop.
- Maintaining detailed daily mowing and maintenance log reports
- Conduct parks and cemetery maintenance as required.
- May be required to operate equipment such as a forklift, skid steer, chainsaw, utility tractor, etc.
- Other duties as determined by the Manager of Parks & Agricultural Services or designate.
- Participating in safety meetings and training as part of the County's Health and Safety program.

Qualifications:

- Valid Class 5 Alberta Driver's License;
- Experience towing trailers and operating equipment would be considered an asset;
- Mechanical knowledge and aptitude to repair and maintain equipment;
- Ability to work in all weather conditions;
- Ability to work effectively and efficiently with others and alone;
- Strong ability to manage records and subsequent reporting in an organized manner;
- Ability to communicate effectively and courteously with supervisor, co-workers and the public;
- Strong problem solving skills;
- Able to follow instructions as given and prioritize tasks;
- Ability to lift up to 50 lbs and perform work outdoors;

Personal Traits:

- Strong work ethic and self-starter
- Excellent communication, records management and organizational skills
- Great teamwork, partnering, and networking skills
- Strong commitment to public service and safety
- Good with technology i.e. computers, GPS
- Good sense of humor
