The successful individual will be responsible for maintaining public lands and facilities and completing other duties as determined by Manager of Parks & Agricultural Services or designate.

Duties of the successful candidate will include:

- Routine cleaning and stocking of recreational sites, outhouses, and campgrounds
- General maintenance and upkeep of recreational sites, outhouses, and campgrounds.
- Assist with maintenance and projects on public lands, parks, hamlets and cemeteries.
- Operate equipment such as; all mowing equipment, pressure washer, one-ton water truck.
- Plant and/or move and water trees, shrubs, grassed areas and/or gardens and other plants.
- Daily records, small projects, cleaning & maintenance of vehicles, equipment and ASB shop.
- Participate in safety meetings and training as part of the County's Health and Safety program.
- Other duties as determined by the Manager of Parks & Agricultural Services or designate.

Qualifications:

- Valid Class 5 Alberta Drivers License;
- Mechanical knowledge and aptitude to repair and maintain equipment;
- Ability to work effectively and efficiently with others and alone;
- Ability to communicate effectively and courteously with supervisors, co-workers and the public;
- Strong problem solving skills;
- Able to follow instructions as given and prioritize tasks;
- Ability to lift up to 50 lbs and perform work outdoors;

Personal Traits:

- Strong work ethic and self-starter
- Able to work alone for extended periods of time
- Excellent communication, records management and organizational skills
- Great teamwork, partnering, and networking skills
- Strong commitment to public service and safety
- Good sense of humor
