Combining Agricultural Production with Environmental Stewardship

GROWING FORWARD 2

Growing Forward 2 is a federal-provincial-territorial partnership with a mandate to drive an innovative, competitive and profitable Canadian agriculture and agri-food sector.

The five-year Growing Forward 2 policy framework focuses on three priorities: innovation, competitiveness and market development.

Growing Forward 2 programs aim to help the industry position itself to respond to future opportunities and challenges and achieve its full potential as a productive and profitable sector of the Canadian economy.
